

Thank you for taking the time to read our Council plan. We would really like your feedback. The survey closes on 20 December 2019.

We would like to find out whether you think we have the right priorities. Please tell us what you think about each of our priorities below;

Staying Safe and Well - We will work with all our residents to have a good quality of life.

Do you think this should be one of our priorities?

- Yes
- No
- I'm not sure

Economic Growth - We will deliver sustainable economic growth, increasing productivity and the number of jobs in Dorset, creating great places to live, work and visit.

Do you think this should be one of our priorities?

- Yes
- No
- I'm not sure

Unique Environment - We will help to deliver sustainable development whilst protecting and enhancing Dorset's environment.

Do you think this should be one of our priorities?

- Yes
- No
- I'm not sure

Sustainable Housing - We will facilitate the availability of more affordable, suitable and decent housing.

Do you think this should be one of our priorities?

Yes

No

I'm not sure

Strong, Healthy Communities - We will work with residents and partners to build and maintain strong communities where people get the best start and live fulfilling lives.

Do you think this should be one of our priorities?

Yes

No

I'm not sure

Do you think we should have anything else as one of our priorities for the next four years?

Yes

No

Give details below.
